

## Certificate of Compliance

### **PFAS (per-and polyfluoroalkyl substances)**

Per-and polyfluoroalkyl substances (PFAS) are a group of extremely persistent group of chemicals used in some manufactured products. PFAS have a benefit of providing oil and water repellency and can withstand high temperatures. There are over 4000 varieties of PFAS that can accumulate in animals (including humans and the environment. None of these benefits can provide any improvement to Soberton devices.

Soberton Inc. hereby declares that no PFAS exist in any of its products.

Soberton Inc. products are manufactured without the intentional use of PFAS products.

Soberton Inc. does not willingly purchase any PFAS.
